Results for all current clean air zones

This page shows the charge you need to pay each day if you drive into or within a clean air zone. This page does not show your unpaid charges.

Please be aware that the vehicle checker may still show a charge if you have been granted a local exemption. If this is the case, the vehicle should not be subject to the daily charge. For further information regarding local exemptions, please contact the relevant local authority.

For vehicle registration (number plate) **BP62 VBN**

Important information about vehicle data

The data accuracy of this service is always improving. If you think your result is incorrect, [contact clean air zone support \(https://contact.drive-clean-air-zone.service.gov.uk\)](https://contact.drive-clean-air-zone.service.gov.uk).

Personal accounts

We have launched a new Personal accounts service to help manage your vehicles and payments. You can now [create a personal account \(https://account.drive-clean-air-zone.service.gov.uk\)](https://account.drive-clean-air-zone.service.gov.uk) to:

- Upload all your vehicles
- Check whether your vehicles will be charged in each CAZ
- Make a payment for one or more vehicles using debit or credit card
- View all payments made within the account
- Add other people to the account so they can help manage and pay for vehicles in the account
